

BIOGRAPHY

UNITED STATES AIR FORCE

COLONEL BRENT E. HILL

Colonel Brent E. Hill is the Individual Mobilization Augmentee (IMA) to the Commander, Headquarters Air Force Civil Engineer Support Agency (AFCESA), Tyndall Air Force Base, Florida. AFCESA is an Air Force Field Operating Agency responsible for providing the best tools, practices and professional support to maximize Air Force civil engineer capabilities in base and contingency operations. The agency currently supports 82 major and 10 minor active-duty installations, plus 83 Air Force Reserve and Air National Guard installations.

Col. Hill was commissioned in 1978 through the Reserve Officer Training Corps after graduating from Auburn University with a degree in civil engineering. A master civil engineer, he has served in a variety of Air Force civil engineer positions at base and major command level. Prior to this assignment, he was the Civil Engineer Director of the 622nd Regional Support Group, 22nd Air Force, Dobbins Air Reserve Base, Georgia. He joined the Air Force Reserves in 1985.

Colonel Hill is a registered professional civil engineer licensed in Georgia
